PARTICIPAÇÃO POPULAR

Começam reuniões prévias para assembléias do OP

Com a parceria de entidades da sociedade, a Prefeitura inicia na próxima segunda-feira as reuniões preparatórias do Orçamento Participativo (OP) de 2005. Programadas para se estender até maio, trata-se de reuniões populares de preparação das assembléias regionais e temáticas do OP, que se realizam em abril e maio.

Estas assembléias constituem o segundo momento do ciclo do OP. São realizadas com datas definidas pelo Conselho do Orçamento Participativo (COP), que é composto por conselheiros elei-

tos em suas comunidades regionais (dois titulares e dois suplentes para cada um das 16 regiões e seis temáticas da cidade).

Durante as 22 assembléias regionais e temáticas as comunidades determinam o número de delegados da cidade e elegem os novos integrantes do COP e as prioridades temáticas para Porto Alegre.

O terceiro momento do OP ocorre em julho, com a Assembléia Municipal. Na ocasião, os fóruns de delegados entregam ao prefeito a relação, por ordem de importância, das obras e serviços eleitos pela população. A Assembléia Muni-

cipal é também o momento de integração de mais parcelas da população ao OP, de discussão de temas urbanos gerais e de confraternização pela posse dos novos conselheiros do OP.

No quarto momento, o Governo Municipal apresenta aos fóruns de delegados regionais e temáticos a análise financeira das demandas da população. Técnicos da Prefeitura explicam aos delegados o resultado da análise das demandas.

Cabe aos fóruns de delegados aprovar a proposta do Plano de Investimentos e Serviços 2005 (PIS). O plano passa a ser executado a partir do ano seguinte.

FISCALIZAÇÃO

Propaganda irregular retirada das ruas lota um caminhão

Aline Gonçalves

Dois equipes percorreram pela manhã a Avenida Assis Brasil

A equipe de fiscalização do Ambiente Natural da Secretaria Municipal do Meio Ambiente (Smam) realizou ontem mais uma etapa da "Faxina Visual" nas ruas de Porto Alegre. Os fiscais percorreram pela manhã parte da Zona Norte para a retirada de faixas, banners, cartazes e cavaletes fixados irregularmente nas vias da Capital. Até o final da manhã haviam sido removidos cerca de 300 materiais, que encheram um caminhão.

Dois equipes, compostas por quatro fiscais e mais cinco operários cada, estiveram nos dois sentidos da Avenida Assis Brasil, do Viaduto Obirici até a rótula da Baltazar de Oliveira

Garcia. Para a tarde estava previsto o percurso da Baltazar de Oliveira Garcia até a Freeway e um trecho da Avenida Farrapos.

A multa para quem descumprir a legislação é de R\$ 415,30, mas a intenção não é reprimir os comerciantes. O objetivo da ação é educar, informando antecipadamente o roteiro a ser cumprido. Nessas ações, a Smam conta com o apoio do Departamento Municipal de Limpeza Urbana (DMLU), da Secretaria Municipal da Produção, Indústria e Comércio (Smic) e da Empresa Pública de Transporte e Circulação (EPTC).

DIREITOS HUMANOS

Prefeitura abre hoje a Pré-Conferência das Mulheres

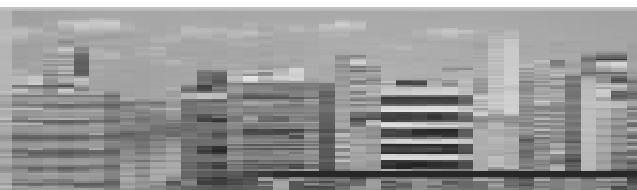

"Políticas para as Mulheres: um desafio à igualdade numa perspectiva de gênero" é o tema central da Pré-Conferência das Mulheres, que a Prefeitura abre nesta sexta-feira, às 18h30min, na sala 209 da Usina do Gasômetro. O encontro consiste numa preparação para a Conferência Estadual dos Direitos Humanos — que se realiza dias 26 e 27 de março no Auditório Araújo Vianna —, e para a Conferência Estadual da Mulher, programada para 15 de maio, em local a ser definido.

Para o início dos trabalhos está confirmada a presença de representantes da Secretaria Municipal de Direitos Humanos e Segurança Urbana (SMDHSU), da Secretaria Especial de Políticas para as Mulheres do Governo Federal, do Conselho Municipal dos Direitos da Mulher e da Coordenadoria Estadual da Mulher.

Organizada pela SMDHSU, com apoio de entidades, a Pré-Conferência prossegue às 19h, quando será formada a mesa para análise da realidade brasileira, sob os aspectos social, econômico, cultural e quanto aos desafios para a construção da igualdade.

A Pré-conferência prossegue amanhã, das 9h às 18h. Pela manhã, o tema em discussão terá foco nas políticas desenvolvidas para as mulheres nas instâncias de governo municipal, estadual e federal, frente aos acordos, tratados e convenções internacionais. À tarde, haverá trabalho em grupo, quando serão apresentadas as propostas de políticas públicas para as mulheres a serem desenvolvidas nas três esferas governamentais.

ATA 2 TOMADA DE PREÇOS 3/04

Aos dez dias do mês de março do ano de dois mil e quatro, às dez horas, a Comissão de Licitação, designada pela Portaria 195/04, reuniu-se para proceder ao julgamento das propostas referen-

Prefeitura Municipal de Porto Alegre

SECRETARIA MUNICIPAL DE SAÚDE

tes a Tomada de Preços 3/04, Processo 001.064862.03.8, que trata da contratação de empresa para executar obras de reforma e recuperação da Farmácia Regional do Centro de Saúde Navegantes da Secretaria Municipal de Saúde. Inicialmente, a Comissão procedeu a análise e conferência das propostas, constatando que a proposta da licitante Construtora Saneacom Ltda. apresentou divergência entre o preço unitário e o total resultante, no item 13.1, sendo retificada com base no subitem 8.6.4 do Edital, passando seu preço total para R\$ 56.888,20, mantendo sua posição na classificação. Por estarem de acordo com o Edital, a Comissão procedeu ao julgamento das propostas de conformidade com o Parecer 996/98 da Procuradoria Geral do Município, classificando-as conforme abaixo:

Valor Orçado pela Administração: R\$ 67.356,00
1º lugar - Senior Engenharia Ltda.R\$ 56.132,65
2º lugar – Construtora Saneacom Ltda.R\$ 56.888,20
3º lugar – Prol Engenharia Ltda.R\$ 59.411,52
Soma das propostas classificadas.R\$ 172.432,37

Média aritmética das propostas superiores à 50% do valor orçado pela Administração: R\$ 172.432,37 : 3 = 57.477,45

70% da média aritmética dos valores das propostas superiores à 50% do valor orçado pela Administração: 70% de R\$ 57.477,45 = R\$ 40.234,21.

O menor preço global ofertado (R\$ 56.132,65) não necessita de garantia adicional, pois está acima de 80% da média aritmética dos valores das propostas superiores à 50% do valor orçado pela Administração (80% de R\$ 57.477,45 = R\$ 45.981,96) conforme prevê o § 2º do artigo 48 da Lei 8666/93 e suas alterações. Assim, com base no subitem 8.6.3 do Edital, a Comissão considerou vencedora do certame e sugere a adjudicação dos serviços a licitante Senior Engenharia Ltda. ao preço total de R\$ 56.132,65. Nada mais havendo a tratar a Comissão de Licitação encerrou os trabalhos e, para constar, foi lavrada a presente Ata, que lida e aprovada, vai assinada pelos Membros da Comissão.

Telecentros são preparados para instalação de software livre

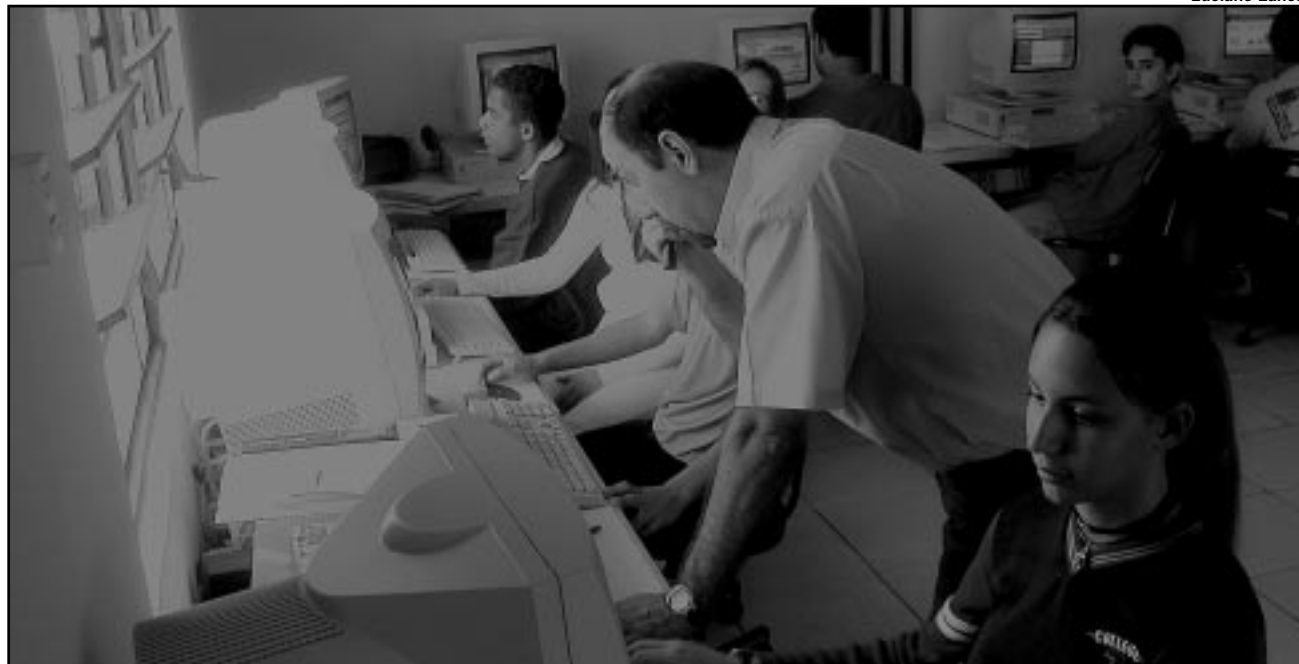

A Prefeitura iniciou esta semana o segundo curso prático para a formação dos 84 monitores dos telecentros de Porto Alegre. Desenvolvida pela equipe de software livre da Procempa, a iniciativa pretende capacitar os monitores para instalar e trabalhar com software livre. O curso, que terá seqüência na próxima semana, dará treinamento integral, ensinando a instalar uma estação de trabalho Linux, assim como atualizar e instalar aplicativos e aprender comandos básicos.

O treinamento é uma preparação para a migração dos telecentros para software livre. Hoje, dos 16 telecentros em funcionamento, apenas três funcionam em ambiente livre. A projeção, porém, é de que até o final do ano sejam 26 unidades levando o acesso à informática aos moradores de bairros da periferia. A capacitação dos monitores também consiste numa nova opção para ingressarem no mercado de trabalho.

Informática básica

Os telecentros são espaços com computadores conectados à internet banda larga. Cada unidade tem, em média 12 micros. O uso livre dos equipamentos, cursos de informática básica e oficinas especiais são as principais atividades oferecidas à população. Cada telecentro possui um conselho gestor, formado e eleito por membros da comunidade, que ajudam os funcionários na fiscalização e gestão do espaço. O uso livre dos equipamentos é a única forma do cidadão se apropriar da tecnologia, suprimindo suas necessidades. Só há um conteúdo proibido, que é a pornografia. De resto, as pessoas podem navegar livremente pela web, fazer pesquisas, ler notícias, participar de salas de bate-papo, jogar on-line, digitar documentos e currículos, enviar e-mails e aproveitar todos os outros recursos da rede.

INFORMATIVO DA CÂMARA MUNICIPAL

Arquiteto inglês faz palestra na Comissão Especial do PDDUA

“Uma cidade, para ser bem sucedida, tem que ser flexível e aceitar mudanças”. A opinião é do historiador e arquiteto inglês Robert Tavernor, que palestrou nesta semana, no plenarinho do Legislativo, em encontro da Comissão Especial da Câmara que avalia o Plano Diretor de Desenvolvimento Urbano Ambiental (PDDUA) da Capital. “O importante é controlar as mudanças e insistir na qualidade dentro dos projetos”, disse. O arquiteto explicou que, em Londres, a aprovação de propostas para construção de edifícios mais altos passa por uma consulta pública e está condicionada a investimentos, como a criação de espaços públicos, no entorno dos empreendimentos. Além disso, segundo ele, são avaliados critérios como qualidade dos materiais, impacto visual e benefícios que a obra trará à população. Em visita ao Estado a convite do Sinduscon/RS, cursos de Arquitetura da UFRGS e Ritter dos Reis e Associação Brasileira dos Escritórios de Arquitetura, Tavernor identificou o lago Guaíba como um “potencial óbvio” a ser explorado em Porto Alegre, do ponto de vista arquitetônico. Outra área a ser valorizada, por sua topografia, seria a região entre a Catedral Metropolitana e a Avenida Independência. Também participaram da reunião arquitetos, engenheiros e representantes de entidades envolvidos na discussão do PDDUA.

Câmara recebe visita de delegação chinesa

Uma delegação formada por cinco representantes da cidade chinesa de Suzhou visitou a Câmara Municipal nesta semana. O motivo da vinda dos chineses à Capital gaúcha é a assinatura do decreto que as tornará Porto Alegre e Suzhou cidades-irmãs. Os contatos de intercâmbio entre Porto Alegre e Suzhou começaram em 1993. Em agosto de 2002, foi assinada Carta de Intenções de Cooperação e Intercâmbio Amigável nos campos de ciência e tecnologia, cultura, esporte e saúde, além de intercâmbio econômico, com o objetivo de ampliar as relações entre os dois municípios. Suzhou foi fundada há cerca de 2.500 anos, tem 8.488 m² de área e população de aproximadamente 5,9 milhões habitantes. Sua economia baseia-se na produção de seda e no turismo. Ao conhecer o plenário Otávio Rocha, o vice-secretário de governo do município chinês, Cheng Zhengang, disse estar muito contente em conhecer Porto Alegre. Afirmou que em abril estará aguardando uma comitiva gaúcha para a assinatura do mesmo decreto na cidade chinesa, estendendo a todos os parlamentares porto-alegrenses o convite para visitarem Suzhou.
